If you're on the hunt for somewhere private, romantic, and secure, here's the perfect solution: luxury honeymoon resorts with everything you could possibly need in one place, combined with the highest sanitisation standards for absolute peace of mind.

From exotic safaris to luxurious beachside resorts, here are 11 absolutely breathtaking honeymoon destinations that every couple will yearn for once they've laid eyes on it, listed in no particular order!

## 7. Kokomo Private Island Resort

Fiji

If you and your other half have experience in diving, **Kokomo Private Island** combines an impressive diving experience with unscripted luxury as a resort cradled by the world's *fourth-largest reef*, the Great Astrolabe.

An unparalleled portal to the vibrant underwater world, the island stay is an enticing retreat for adventure seekers by day and a restorative sanctuary for couples by night. With its close proximity to the Great Astrolabe Reef, which has some of the most fertile and untouched waters in Fiji, you'll get to experience the thrills of big game or sports fishing, underwater cave exploration, and exclusive dive sites not frequented by other resorts where you can come face-to-face with manta rays, reef sharks, and more!
